

NKF/NCA and the Mid-Atlantic Chapter
of the American Society of Hypertension
cordially invite you to

Hypertension 2009 Finding the Goal and Reaching It

Hypertension 2009 is a half day symposium designed to provide physicians, physician assistants and nurse practitioners in the Greater Washington, DC area with continuing education and knowledge on controlling hypertensive patients in varied populations. This program will offer an approach to treatment based on the assessment of overall risk and will delineate the role of specific classes of anti-hypertensive drugs in different settings. The NKF/NCA is accredited by the Maryland State Medical Society to sponsor continuing medical education for physicians. Symposium participants will receive 3 Category 1 AMA CME Credits.

You can register for the symposium by mailing the attached registration form and payment to:

National Kidney Foundation
5335 Wisconsin Ave., NW Suite 300
Washington DC, 20015

Register online at kidneywdc.org or fax 202.244.7405. For more information please call Nicole Morton 202-244-7900 ext. 12.

Gilbert Eisner, MD, Clinical Professor of Medicine, Georgetown U. Medical Center, President Mid-Atlantic Chapter, American Society of Hypertension

Disclaimer

NKF/NCA and the event sponsors do not recommend the use of any pharmaceutical, diagnostic test, or device outside of the labeled indications as approved by the FDA. Please refer to the official prescribing information for each product for approved indications, contraindications, and warnings.

Learning Objectives

- 1 To demonstrate the importance of treating hypertensive patients to goal.
- 2 To examine the goals presently in use and understand the basis for different goals in different categories of patients.
- 3 To review current goals and see how their application might be changed.
- 4 To outline different methods of improving compliance and achieving goals in a high percentage of patients.
- 5 To examine the causes and treatment of "resistant hypertension" and the role of newer anti-hypertensive agents.

Accreditation

The National Kidney Foundation of the National Capital Area, Inc is accredited by the Maryland State Medical Society to sponsor continuing medical education for physicians. The NKF/NCA designates this Continuing Medical Education activity for a maximum of 3 credit hours in Category 1 credit toward the AMA Physician's Recognition Award.

Declaration of Disclosure

It is the policy of the National Kidney Foundation of the National Capital Area (NKF/NCA) to ensure balance, independence, objectivity, and scientific rigor in all CME/CE activities. Any individual who has control over CME content is required to disclose to learners any relevant financial relationships(s) they may have with commercial interests supporting this activity or whose products or devices are discussed in this activity. If, on the basis of information disclosed, a conflict exists, resolution will be achieved based on established policy by NKF/NCA.

Unlabeled/Investigational Use

During the presentations, faculty may discuss an unlabeled use or an investigational use not approved for a commercial product. Each faculty member is required to disclose this information to the audience when referring to an unlabeled or investigational use.

Yes! Please register me to attend! (Please Print)
